Dear Greg:

I want to confirm our agreement concerning the wage and scheduling provision within the Storm Lake contract. The wage settlement which has been agreed to is based on the district maintaining the general current assignment of hours for employees. That assignment is a 50-hour assignment for most custodial positions. In the event the district decides to implement an over-all reduction of hours for custodians, it is our agreement to reopen the wage article for negotiations since a reduction in hours would impact the income of the custodians.

Sincerely,

Paul Tedesco, PhD
Superintendent
